

Product Development Update

Date: December 7, 2021
To: US Customers
From: Yekutiel Koschitzky, Product Development Manager – North America
Subject: 2022 Product Changes

Dear Valued Customers:

Please note the upcoming changes involving our **shingle line** product offering for 2022.

- **Cambridge:** Aged Redwood is being discontinued.
- **Dynasty:** Pacific Rim is being discontinued.
- **Armourshake:** Western Redwood is being discontinued.
- **H & R 12:** Aged Redwood, Pacific Rim are being discontinued.
- **Ultra HP & Ultra HP IR:** Aged Redwood is being discontinued.

Please note the upcoming changes involving our **low slope** product offering in 2022

- **Roof Fast Base MA** is being discontinued.
- As a result of this change **Roof Fast 95 Base** will have 2 approved applications.
 1. Mechanically adhering the product while not utilizing the peel and stick function.
 2. Utilizing the peel and stick function without the need to mechanically adhere it.
- **Roof Fast Cap Base:** Earthtone Cedar, Vintage Green are being discontinued

Please note the upcoming Changes involving our **rolled** product offering in 2022:

- **Roof Gard Cool Grey** will only be available in full container quantities or mixed loads with Stormtite.

We will continue to ship orders for discontinued items as long as we have inventory.

If you have any questions, please contact your Territory Sales Representative.

Thank you for your continued support of IKO!
Stay well and safe!
