Andersen® Aluminum Windows & Doors Limited Warranty

Transferable Limited Warranty on Glass

The glass in Andersen aluminum factory glazed window and door units (including Low-E SmartSun™ (366), clear dual pane glass, Low-E with Heatlock® technology (i89), Low-E (272), tinted glass, patterned glass (including textured, frosted, grooved, beveled and color options), monolithic laminated glass (non-impact-resistant), grilles between the glass, and tempered versions of these glass options) is warranted to be free from defects in manufacturing, materials and workmanship for twenty (20) years from the date of purchase from the dealer. It is also warranted not to develop, under normal conditions, any material obstruction of vision or stress cracks resulting from manufacturing defects or as a result of premature failure of the glass or organic seal for a period of twenty (20) years from the date of purchase from the dealer. This limited warranty on glass does not apply to special order glazings, decorative glass, discontinued glass, impact-resistant glass or glass that is not factory installed by Andersen.

In the event a glass failure occurs as a result of a defect in manufacturing, materials or workmanship within the limited warranty period, Andersen, at its option, will: (1) provide the appropriate replacement glass product to the Andersen dealer you specify — labor is not included; (2) provide a factory-authorized repair to the existing glass at no cost to you; or (3) refund the original purchase price. Such replacement parts or repair are warranted for the remainder of the original limited warranty period.

Transferable Limited Warranty on Components Other Than Glass

Non-glass portions of Andersen aluminum windows and doors (including window and door lock and latch mechanisms, hinges, balance systems, roto gears and pivot-shoe roto gears, rollers, handles, insect screens, weatherstripping, and sash and frame members) are warranted to be free from defects in manufacturing, materials and workmanship for a period of two (2) years from the date of purchase from the dealer.

In the event a component other than glass fails as a result of a defect in manufacturing, materials or workmanship within the limited warranty period, Andersen, at its option, will: (1) provide replacement parts to the Andersen dealer you specify — labor is not included; (2) provide a factory-

authorized repair to the existing component at no cost to you; or (3) refund the original purchase price. Such replacement parts or repairs are warranted for the remainder of the original limited warranty period.

Transferable Limited Warranty on Exterior Anodized Aluminum Surfaces

The anodized finish on Andersen aluminum windows and doors in standard colors is warranted not to crack, craze, flake or blister for a period of five (5) years from the date of purchase from the retailer/dealer when exposed to normal atmospheric conditions. The anodized finish is also warranted against chalking in excess of a number eight (8) rating as determined by the procedure outlined in ASTM D4214-07 and against color change greater than 5 delta E[^] (Hunter) as determined by ASTM method D2244-16e1 for a period of five (5) years from the date of manufacture.

In the event a failure occurs as a result of a defect in manufacturing, materials or workmanship within the limited warranty period, Andersen, at its option, will: (1) refinish the product (the finish will be performed with standard commercial refinishing techniques and will not necessarily be the same finish as originally applied to the product); (2) repair the product or provide replacement part(s) or product(s) — labor is not included; or (3) refund the original purchase price. Exclusions: Products subjected to the detrimental effects of air pollutants, chemical or caustic washes, or the accumulation of concentrated salt deposits are not covered by the terms of this limited warranty. Any scratches, chips or surface damage that would expose the material or hardware surface must be repaired immediately and such repair is required to maintain limited warranty coverage. In areas where chemicals or airborne pollutants (including but not limited to salt or acid rain) is present, homeowners must implement a systematic fresh water-cleaning program which consists of cleaning with mild soap and water at least monthly or more often when necessary to prevent the accumulation of concentrated salt deposits. Periodic waxing with an automotive-type wax may prolong the finish life. Even with a systematic cleaning program, products installed in these conditions will typically deteriorate more than product installed in normal atmospheric/environmental conditions. Some corrosion and/or deterioration is considered “normal wear and tear” and normal weathering in this atmospheric/environmental condition and are not covered under this limited warranty.

Such replacement parts or repairs are warranted for the remainder of the original limited warranty period.

In the event a failure covered under this limited warranty occurs in years one (1) through two (2), Andersen, at its option, will: (1) refinish the product (the finish will be performed with standard commercial refinishing techniques and will not necessarily be the same finish as originally applied to the product); or (2) repair the product or provide replacement part(s) or product(s) — labor is not included; or (3) refund the original purchase price. Such replacement parts or repairs are warranted for the remainder of the original limited warranty period. In the event a failure occurs in years three (3) to five (5), Andersen, at its option, will: (1) refinish the product (the finish will be performed with standard commercial refinishing techniques and will not necessarily be the same finish as originally applied to the product) at 50% discount of Andersen's cost; or (2) repair the product at 50% discount of Andersen's labor costs or provide replacement part(s) or product(s) at 50% discount of Andersen's cost — labor is not included; or (3) refund the original purchase price at 50% of the original purchase price.
