Re: Oakridge Pro Series

Attn: Presidio Roofing

This will confirm that Oakridge Pro 50, Oakridge Pro 40 and Oakridge Pro 30 shingles has been discontinued and are no longer available. Owens Corning does not recommend mixing the Oakridge Pro Series shingles with the Oakridge shingles manufactured today.

Should you have any additional questions, please contact the GETTECH Team at [GETTECH@owenscorning.com](mailto:GETTECH@owenscorning.com).

Respectfully,

*Benjamin Abalos Jr.*
