Product Announcement - StormMaster Slate - Discontinuance

Atlas Roofing Corporation is transitioning through a line consolidation and has discontinued the StormMaster Slate branded shingle effective January 1, 2023. We apologize for any inconvenience this may cause as we transition through this product change.

There are no other competitive asphalt shingles in the market that directly match the dimensions, color, and style of Atlas StormMaster Slate. Please review our website at www.atlasroofing.com for alternative styles and color options.

Thanks for your business and as we transition through these product changes.

Regards,

Paul Casseri
Director of Product Management & Business Development
