 SUBJECT: Shingle Dimension Change for Joplin, MO manufacturing facility

This memo is to inform you of an upcoming change to 3-Tab shingles manufactured at our Joplin, MO facility. **The shingle width will change from 12 inches to 12.25 inches for Hip and Ridge, Glass SD and Elite Glass SD.** As a result of this manufacturing change, Joplin will have a **Do Not Mix** situation. The following outlines the changes to be made.

- Shingles per bundle changes from 27-27-26 to 26-26-26. Remains 3 bundles per sales square with 100 sq.ft coverage.
- Hip and Ridge wrapper color will change from purple to green.
- Glass SD wrapper color will change from grey to blue.
- Elite Glass SD wrapper color will change from green to red.
- Do Not Mix starburst on the new wrapper's side panel. This is a dimension change, not a color change.
- The previous SAP material numbers will have JMO in the beginning of the description. (i.e. JMO GLASS SD WHITE)
- New SAP material numbers for new shingle size are listed below.
